

Why Choose INVISION

INVISION is a premier claims investigation and risk management organization, dedicated to providing customized solutions designed to fit your distinct needs. Our team of licensed private investigators, industry experts, and claims specialists work seamlessly to provide the highest quality yet cost-effective investigation, using the best resources. With expertise in Property, Casualty, and Workers' Compensation investigations, we operate across the United States and internationally.

We proudly serve insurance carriers, self-insured organizations, attorneys, government agencies, and municipalities. Backed by a vast network of domestic and international operatives, we manage everything from routine slip-and-fall claims to complex, high-profile cases. Our industry connections, investigative resources, and collaborative approach set us apart.
